Biography

Stefan "Linx" Rouse is a fun loving, charismatic young man with a passion to be one of the world's best Djs.

Born on August 18, 1994, into a family of vocalists, it was almost inevitable that he would grow to have a passion for tones and beats. What began as a hobby quickly turned into a craving which he hones up to this day.

He attended Scratch DJ Academy where he learned a basic background in mixing, scratching and to really appreciate the art form that is DJ-ing.

As a DJ he has performed at various events across the island. Moreover, he has also taken his talents abroad experiencing different cultures and energy.

For this DJ versatility is key. Catering to any and every crowd, Linx has progressed into one of the island's finest and well known Djs.
